# YOUR VOICE MATTERS!

We need your professional opinion!

Do you teach in a California public or charter school? We want to hear ***your*** opinion on the role of schools in identifying youth with ***eating disorders***, and on the state of current practices.

Educators will be asked to participate in one focus group session lasting approximately one hour and thirty minutes. Participants will receive \$40 financial compensation.

All sessions will occur remotely via Zoom.

If you are interested in participating, please scan the QR code below, OR reach out to Dr. Nina Shevzov-Zebrun at [nszebrun@stanford.edu](mailto:nszebrun@stanford.edu).
