REACH Lab

YOUR VOICE MATTERS!

Do you have a child enrolled in 6th through 12th grade at a California public or charter school?

We want to hear ***your*** opinion on the role of schools in identifying youth with ***eating disorders***, and on the state of current practices.

Caregivers will be asked to participate in one focus group session lasting approximately one hour and thirty minutes.

Participants will receive \$40 financial compensation.
All sessions will occur remotely via Zoom.

If you are interested in participating, please scan the QR code below, OR reach out to Dr. Nina Shevzov-Zebrun at nszebrun@stanford.edu
